New RESPA rules and the Mortgage Reform Act of 2009 require more disclosure to borrowers early on in the home lending process. These regulations provide stiff penalties for significant inaccuracies. GFE Accu-Rate provided by Fidelity National Title allows you to go online and get quotes instantly without making a phone call or sending a single email. There is no waiting. However, speed is not the only calling card of Fidelity National Title's GFE Accu-Rate, it also allows you to customize the fee quote to your particular transaction giving you exactly what you need. Check out GFE Accu-Rate 24/7 and get your instant GFE fees by visiting [fidelity.title.com/gfe](http://fidelity.title.com/gfe).
